

## Near Doubles Path

# START

$2 + 3$	$3 + 4$	Miss a turn	$4 + 5$
---------	---------	-------------	---------

**Materials:** number cube (1-6), counters      **Players:** 2

Take turns to roll a number cube and move your counter that number of spaces along the path. Say and write each near doubles fact that you land on. Keep taking turns until one player reaches the end of the path.

$3 + 2$
$5 + 4$

$5 + 6$	$7 + 8$	Go back 3	$8 + 9$	$6 + 7$
---------	---------	--------------	---------	---------

$$6 + 7$$

$$3 + 2$$

Roll again	$9 + 8$	$8 + 7$	$6 + 7$	$4 + 5$	Miss a turn
------------	---------	---------	---------	---------	-------------

$$5 + 6$$

**END**

$2 + 3$	Go back 5	$6 + 5$	$3 + 4$
---------	--------------	---------	---------
