

Race Around (- 10)									
Finish 	11-10	18-10	16-10	13-10	14-10	10-10	12-10	15-10	
									17-10
30-10	20-10	19-10	70-10	60-10	40-10	80-10	20-10	19-10	18-10
50-10									
40-10	20-10	50-10	19-10	18-10	60-10	14-10	70-10	16-10	80-10
									90-10
20-10	19-10	10-10	11-10	100-10	12-10	14-10	16-10	13-10	15-10
18-10								Start 	
16-10	17-10	10-10	13-10	14-10	12-10	15-10	11-10		

Directions: Each player places a counter on Start. Take turns to roll a number cube and move that number of spaces. Read aloud and answer the problem in the box you land on. Record the equation. You may use a calculator or 100 grid to check each other's work. If you give the correct answer you may stay where you are. If you give an incorrect answer you must move back 2 spaces. Keep taking turns until one player reaches the Finish line.

Ten less than ____
is ____.

Ten less than ____
is ____.

The difference
between ____ and
ten is ____.

The difference
between ____ and
ten is ____.
