

## 2.MD Susan's Choice

### Task

Susan wanted to make a birthday card for her best friend but needed some art supplies.

- a. She emptied her piggy bank and found 1 quarter, 5 dimes, 3 nickels, and 8 pennies.

How much money did Susan find in her piggy bank? Show or explain how you know.

- b. Susan went to the store with her mother and saw a pack of stickers for 35¢ and a glitter pen for 60¢. Does Susan have enough money to buy both items to make her birthday card? Show or explain how you know.

- c. While Susan was at the store, she saw a ring that she would like to have herself. The ring costs 45¢. Can she still buy one or both of the other items?
